Low Carbon Skills Fund (LCSF):

LCSF portal opens for applications in connection with developing proposals towards decarbonisation of public buildings. This includes production of heat decarbonisation plans and design activities in connection with energy efficiency works.

School Condition Allocation (SCA) - Announcement:

SCA is announced, providing eligible bodies grant funding in connection with capital improvements across school estates.

Condition Improvement Fund (CIF) Outcome:

Outcome of applications published.

Public Sector Decarbonisation Scheme (PSDS):

Application portal opens for grant funding applications in connection with the implementation of decarbonisation measures, including building fabric and mechanical and electrical improvements.

Condition Improvement Fund (CIF) - Open:

The application window opens. Application Guidance is released by the DfE, providing further details around eligible establishments and criteria for submissions.

Condition Improvement Fund (CIF) Deadline:

The window for CIF applications closes.
